

Submission for the Scholarship for Kindness

The reason for this award is to celebrate kindness in the same way that we celebrate academic, athletic, or artistic talent. We feel that our community is full of young adults that are loving, gracious, and kind. We want to help encourage acts of kindness by celebrating examples in our community. We know that most acts of kindness are not done for recognition, and that is why we need your help. Thank you, in advance, for your assistance. We truly appreciate your time and effort. (We may need to contact you if we have any questions about your submission.)
